Hold: ALL

Cargo

- > UN 2211 EXPANDABLE POLIMERIC BEADS; 9; III; (D/E)
- > The dangerous goods equipment must be valid according to the ADR regulations and will be checked. If there are deviations, it will not be loaded.
- > Stacking our packages is prohibited, as is the stacking of other packages on top of our packages.

Loading date/Delivery date

- > If the loading date cannot be met, information must be sent to versand@sunpor.at by 2p.m. (Mon-Thu), 11 a.m. (Friday). sunpor then decides whether the truck will be loaded or will be postponed to the next loading day.
- > If the arrival date cannot be met versand@sunpor.at must be informed as soon as possible.

Proof of delivery

- > must be sent to abliefernachweise@sunpor.at.

Load securing

- > If the truck has empty pallets with it, these are used to secure the load and must be prepared by the driver.

Transport damage

- > After transport damage has occurred, sunpor (versand@sunpor.at) must be informed immediately and further instructions must be awaited.
